REGULATIONS MADE UNDER THE PUBLIC HOSPITALS ACT

1. Regulations 74 to 79, both inclusive, and 79a, 79b and 79c of Ontario Regulations 43/45 are revoked and the following substituted therefor:

CLASSIFICATION OF HOSPITALS

74.—(1) Hospitals shall be classified as general hospitals, convalescent hospitals, hospitals for incurables and hospitals for chronic patients and shall be graded in groups as follows:

- (a) Group A hospitals, being hospitals providing facilities for giving instruction to medical students of any university;
- (b) Group B hospitals, being hospitals having,—
 - (i) not fewer than 100 beds; or
 - (ii) fewer than 100 beds and in a municipality where a Group A hospital is located;
- (c) Group C hospitals, being hospitals not located where a Group A hospital is located and having fewer than 100 beds;

- (f) Group F hospitals, being hospitals for incurables or hospitals for chronic patients having not fewer than 200 beds; and
- (g) Group G hospitals, being hospitals for incurables or hospitals for chronic patients having fewer than 200 beds.

(2) The classes, grades, total bed capacity and public-ward bed capacity of hospitals shall be as set forth in schedule 1.

PROVINCIAL AID

75.—(1) Where a hospital named in schedule 1 has its total bed capacity and public-ward bed capacity set forth in schedule 1, provincial aid by way of maintenance grant may be paid to it based upon a *per diem* grant for each public-ward bed shown in schedule 1.

(2) The maintenance grant shall be computed by applying the percentage of annual occupancy of the public ward to the difference between the municipal statutory *per diem* grant and the average daily *per capita* cost of each group, including depreciation on equipment but excluding depreciation on buildings, and exchange and interest on capital debt, and by applying to the result so obtained the percentage which the public-ward bed capacity bears to the total bed capacity of the hospital.

(3) In computing the maintenance grant, the average daily *per capita* cost for a hospital in the groups referred to in schedule 1 shall be as follows:

Group A hospital—	\$4.43
Group B hospital—	3.84
Group C hospital—	3.40
Group D hospital—	3.40
Group E hospital—	2.94
Group F hospital—	2.30
Group G hospital—	2.23

(4) Notwithstanding the provisions of sub-regulation 1, the *per diem* grant to a hospital in each group for each public-ward bed shall not exceed the following amounts:

Group A hospital—	\$1.00
Group B hospital—	.75
Group C hospital—	.60
Group D hospital—	.60
Group E hospital—	.60
Group F hospital—	.64
Group G hospital—	.60

(5) For the purposes of these regulations "maintenance grant" shall mean that portion of provincial aid paid to a hospital for maintenance of patients in its public wards.

76. A maintenance grant may be paid to any hospital which does not receive a maintenance grant under regulation 75 for the treatment of every patient who is an indigent patient or the dependant of an indigent person at the rate of 75 cents for every day up to sixty days that such patient receives treatment in a hospital, and thereafter at the rate of 50 cents a day.

77. In addition to the maintenance grant payable under regulations 75 or 76, a grant may be paid for the treatment of every patient,—

- (a) who is an indigent patient; or
- (b) who is a dependant of an indigent person;

who has actually resided in unorganized territory for the period of three months within the period of six months next prior to admission to a hospital, an amount equal to the amount for which a municipality is liable under section 16 of the Act for each day the patient receives treatment.

78.—(1) Where,—

- (a) a municipality, other than a city, is located in a territorial district; and
- (b) in any year the liability of the municipality for the payment of the charges for treatment under section 16 of the Act exceeds a sum equal to two mills on the total assessment of the municipality;

a maintenance grant equivalent to the excess may be distributed and may be paid to the hospitals to which the municipality is liable in proportion to the liability of the municipality to the hospital.

(2) Upon payment of the amount of the maintenance grant referred to in subregulation 1, the municipality shall be relieved of liability to the extent of the payment.

79. For the purposes of any return to be submitted to the inspector, and whether or not a maintenance grant is payable with respect to the patient, the number of patient-days shall be ascertained by including the day of admission and excluding the day of discharge.

79a. Where the inspector, upon investigation, is of the opinion that any patient admitted to a hospital was a person liable to be deported under the immigration laws of Canada, and that no steps were taken by the superintendent of the hospital to inform the Department of Immigration of the admission of the patient, no maintenance grant shall be payable for the treatment of the patient.
